

## Press release

### Armacell awarded Product Brand of the Year

Pune, 28 February 2018 – Armacell, a global leader in flexible foam for the equipment insulation market and a leading provider of engineered foams, has been honoured with the Product Brand of the Year 2018 for HVAC by Realty Plus at the Interior & Exterior Awards (INEX) gala in Pune, India.

Since 2009, Realty Plus acknowledges outstanding achievements in developing infrastructure facilities and promoting state-of-the-art designs and architecture in India's realty sector. The INEX Awards honour those who have excelled in the building materials and construction industry. Submissions are reviewed by a panel of established professionals from local and international architectural, design and management companies, and judged based on product specifications such as technical features and sustainability, as well as project references.

*"We are honoured to receive this prestigious award, reflecting the trust stakeholders in India have in Armacell's product solutions. It is our philosophy to focus on new technologies and develop products that deliver superior technical performance, and we are pleased that this resonates with the market,"* says Jayant Rajan, General Manager of Armacell India.
